Dear LORI PESCE

Our records indicate the above-referenced mortgage loan is in default.

Your account is due for 10/01/08, and succeeding payments. This is a demand for payment of the total amount due and owing as of the date of this letter, which is as follows:

Payments	\$	25969.38
Late Charges	\$	722.12
Fees, Costs, and other amounts accrued to date	\$	1720.07
Suspense	\$	875.01
Total Amount Due	\$	27536.56

You may cure the default by paying the total amount due, indicated above, within thirty (30) days from the date of this letter. You are also responsible for paying any additional payments, fees, and charges that become due during this 30-day period. Payments must be made in certified funds or cashier's check. If funds tendered are not honored for any reason, the default will not be cured. Our acceptance of any funds less than the total amount due shall not constitute a waiver of our rights and/or remedies under the loan documents or applicable law.

condition and occupancy status, the costs of which you will be responsible for.

Unless we receive full payment of all past-due amounts, we will accelerate the maturity of the loan, declare the obligation due and payable without further demand, and begin foreclosure proceedings. This could result in the loss of your property. You have the right to assert or defend the non-existence of a default and you may have other rights under state law.

Once in foreclosure, you have the right to reinstate your account up to five days prior to the foreclosure sale of the property if: 1) you pay the total amount due plus any fees, costs and other amounts accrued through the reinstatement date, and 2) you take any other action reasonably required by us to assure the security of the property, as well as your obligations under the loan documents continue in full force and effect.
